VET in Europe n.609095-EPP-1-2019-1-IT-EPPKA3-VET-NETPAR

DBWAVE

The project's OBJECTIVES

- **Consolidating the presence of the Salesians of Don Bosco's VET Centres in Europe** and strengthening international cooperation;
- **Developing the technical and operational capacities of key personnel working in VET** through peer exchanges between different nationalities;
- Increasing the Salesians of Don Bosco VET networks' relevance in Europe as a European network of partner and associated bodies working together **to improve and disseminate the quality of VET** both in formal and non-formal context.
- Promoting the **development of internationalization strategies** of the Salesians of Don Bosco's national VET networks, **towards the creation of a DB Tech Europe**, connecting 196 VET Centres in 19 European Countries (including 13 EU Member States) and addressing 62.640 learners.

DBWAVE TOOLS

- **SALESIAN MOBILITY CHARTER:** based on the need to facilitate the exchange of VET staff and students between the respective Salesian partners, this is a shared model of cooperation between Salesian VET networks defining the quality standards, procedures, learning outcomes and main characteristics of the mobility flows.
230 STUDENTS, 61 STAFF, 5 DIRECTORS, 40 STAKEHOLDERS INVOLVED.
- **DATABASE TO MONITOR THE FORMATIVE SUCCESS OF SALESIAN VET STUDENTS IN EUROPE:** this tool allows to compare data between different European VET systems concerning the VET students' formative success one year after their qualification/vocational diploma.
5052 STUDENTS, 100 BETWEEN DIRECTORS AND TRAINERS, 35 PROJECT MANAGERS INVOLVED.
- **DON BOSCO EMPLOYMENT SERVICES (JOB SERVICES OFFICES – JSOs) GUIDELINES:** a support to create and/or standardise at the European level the Employment Services provided by VET centres which can support young people in job placement during and after their experience in VET.
13 TRAINERS AND PROJECT MANAGERS, 24 DIRECTORS INVOLVED.
- **MENTORING MODEL FOR DISADVANTAGED YOUNG PEOPLE ATTENDING VET** to help them find a job through a combination of in-company training, acquisition of soft skills and a suitable mentoring methodology.
21 TRAINERS INVOLVED.
- **DIGITAL TOOL FOR THE EVALUATION OF THE YOUNG PEOPLE'S SOFT SKILLS** that allows the Salesian VET centres to carry out a continuous students assessment at work-based learning environment, in line with the European Quality Reference Framework for the Education and Vocational Training.
75 STUDENTS, 143 STAFF INVOLVED.
- **"DON BOSCO T-VET ACADEMY", A EUROPEAN REPOSITORY CONTAINING TRAINING MATERIAL** for the professional development of teachers, trainers, mentors and/or leaders of VET, on a) European Policies and Projects, b) Work-Based Learning, c) Quality in Vocational Education and Training, d) Digitalisation.
